

AIMS Giving Sunset by Quiosque Verde Lima Regulation

1. AIMS Meeting 2022 Activities Seriation and Placement Scope

- 1.1. To recognise the pivotal role social activities play in our society, the AIMS Meeting Organising Committee decided to emphasise the solidary side of our congress by supporting **CPR, Conselho Português para os Refugiados**, a institution whose purpose is to defend and promote the right of asylum in Portugal, aiming to create valid solutions so that refugees are able to rebuild their lives with dignity. In order to accomplish our goal, we decided to partner with Quiosque Verde Lima in a Sunset whose value raised in the sale of tickets will revert entirely to CPR.
